No "If" "Ands" or "Butts" or maybe "Between"  
A mini 14, I hit the scene with somethin' so mean

Vietnamese'll feel the heat  
Comin' from these, T-H-U-G-S  
We G's  
Enemies, They bleed  
Runnin', duckin', hidin', tryin' to find police

And when we find 'em, we bringin' the heat  
Krayzie the first to bust that pump  
No need fa' the LeathaFace  
We goin' all out cause we don't give a f\*ck  
How many niggas that's say they ready for war, when we  
Gon bust? huh huh?  
Why you niggas is sayin' you ready to roll and you ain't tough, chump  
What the f\*ck is a matter with you?

Slippin' and that's yo stash
