

# Get Raw

MØ

You say I'm funny  
You think I'm funny?  
Did you know I'm a real bitch?  
Ha, I guess you didn't think so, think so

Get raw, get your head down  
Gold digger move it to the sound  
Get raw, get your head down  
Gold digger move it to the sound  
Get raw, get down on the floor  
Come on, show me what you're good for  
Show me one more, one more time

Oh-oh-oh, oh-oh-oh  
Let it go, stop saying,  
"Glory hallelujah"  
Oh-oh-oh  
It's only the rhythm that's (g-glory)

You're a little skinny guy with pale skin and stoner eyes  
You don't know how to invite a girl up on your bike-bike  
Take her for a ride-ride-ride  
You got to do some hardcore hustle if you wanna do  
You got to do some hardcore hustle if you wanna do  
A girl who likes to do a guys with muscles  
But I tell you it is not that hard  
Just start pushing shit and get a monster car

Oh-oh-oh, oh-oh-oh  
Let it go, stop saying,  
"Glory hallelujah"  
Oh-oh-oh  
It's only the rhythm that's (g-glory)

God is dead  
Ha, guess you didn't think so, think so

Get raw, get your head down  
Gold digger move it to the sound  
Get raw, get your head down  
Gold digger move it to the sound  
Get raw, get down on the floor  
Come on, show me what you're good for  
Show me one more, one more time

Oh-oh-oh, it's all inside your head  
Oh-oh-oh, let it go, stop saying,  
"Glory hallelujah"  
Oh-oh-oh  
It's only the rhythm that's (g-glory)
