

# Mercy

MØ

You've got that look in your eyes  
I know I fucked up one too many times  
When I was on my selfish shit  
I thought no matter what I did you'd stay with me  
But never in a million years imagined you would really walk away from me

I need mercy, I'm begging you please  
You know I can't see without you (ooh)  
So tell me it's all a bad dream  
'Cause I just can't be without you (ooh)  
I'm the perfect fool  
I was blind, baby please I need  
Mercy, I'm down on my knees  
You know I can't see without you (ooh)

No babe, I never was easy to love (love, love)  
I'm a sweet mess with permanent sunglasses on (on, on)  
And I know  
I know I've been so selfish, shit  
I thought no matter what I did, you'd stay with me (stay)  
Baby I'm terrified of growing up  
Admitting and committing  
Oh but please don't, please don't go

I need mercy, I'm begging you please  
You know I can't see without you (ooh)  
So tell me it's all a bad dream  
'Cause I just can't be without you (ooh)  
I'm the perfect fool  
I was blind, baby please I need  
Mercy, I'm down on my knees  
You know I can't see without you (ooh)

Got out of control  
Know I should have listened to you  
Listened to you long ago  
I'm paranoid and bold  
Guess I thought I wanted to be on my own  
But hell no, hell no  
So stay with me  
Stay with me

I swear I need mercy, I'm begging you please  
You know I can't see without you (ooh)  
So tell me it's all a bad dream  
'Cause I just can't be without you (ooh)  
I'm the perfect fool  
I was blind, baby please I need  
Mercy, I'm down on my knees  
You know I can't see without you (ooh)

Ooh, ooh  
Mercy, mercy, mercy, mercy  
Ooh  
Mercy, mercy, mercy, mercy
