On & On

MØ

On and on, all this for the time and place
One by one, checkin' our phones just to say our prayers
Yeah, my heart is beatin' while I'm on fire (Oh-oh-oh-oh-oh)
One by one, meltdown caused by desire

We go on and on and on and on
If we wanna die free, we've got to keep movin' on
Get it right before we're gone
(Get it right before we're gone)
On and on and on and on
If we wanna die free, we've got to, got to give it some
Save us from the break of dawn
Come take me higher

On and on and on and on
On and on and on and on (Oh, oh-oh)
On and on and on and on

I got love for the rush, no, I can't deny
But all highs comes with a price
Now it's time to pay, yeah (Oh, oh)
And I don't wanna hit the ground [?] (Oh, oh, oh, oh)
But if I push it back, I hope I come to life
I'll listen up, but bring me back to life, oh

On and on and on and on
(On and on and on and on)
If we wanna die free, we've got to keep movin' on
Get it right before we're gone
(Get it right before we're gone)
On and on and on and on
(On and on and on and on)
If we wanna die free, we've got to, got to give it some
Save us from the break of dawn
Oh, no, come take me higher

On and on and on and on
On and on and on and on (Oh, oh-oh)
On and on and on and on

Yeah, you see it's rollin', rollin', rollin', rollin'
Rollin', rollin', rollin', rollin'
Rollin', rollin', rollin', rollin'
Back and forth in time
Got no time to cry
Rollin', rollin', rollin', rollin'
Rollin', rollin', rollin', rollin'
Rollin', rollin', rollin', rollin'
Like tomorrow, never die, no

On and on and on and on
(On and on and on and on)
If we wanna die free, we've got to keep movin' on
Get it right before we're gone
(Get it right before we're gone)
On and on and on and on
(On and on and on and on)

If we wanna die free, we've got to, got to give it some
Save us from the break of dawn
Oh, no, come take me higher

On and on and on and on
On and on and on and on (Oh, oh-oh)
On and on and on and on
