

# Wake Me Up

MØ

Feelin' my way through the darkness  
Guided by a beatin' heart  
I can't tell where the journey will end  
But I know where to start  
They tell me I'm too young to understand  
They say I'm caught up in a dream  
Well, life will pass me by if I don't open up my eyes  
Well, that's fine by me

So wake me up when it's all over  
When I'm wiser and I'm older  
All this time, I was findin' myself and I  
Didn't know I was lost  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time, I was findin' myself and I  
Didn't know I was lost

I tried carryin' the weight of the world  
But I only have two hands  
Hope I get the chance to travel the world  
But I don't have any plans  
Wish that I could stay forever this young  
Not afraid to close my eyes  
Life's a game made for everyone  
And love is the prize

And love is the prize  
Your love

So wake me up when it's all over  
When I'm wiser and I'm older  
All this time, I was findin' myself and I  
Didn't know I was lost  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time, I was findin' myself and I  
I didn't know I was lost

Didn't know  
Didn't know  
Didn't know  
Didn't know

All this time, I was findin' myself and I  
Didn't know I was lost
