

Without You

MØ

I don't know, I don't know if I know who I am without you
I don't know, I don't know if I know who I am without you
Without you

Wish I could see you for the first time
Like a stranger
Body heat underneath the pines, but now
We're so drained
Yeah

We were so good together when we were younger, baby
What about now?
Are we holding on because it's right
Or is it just 'cause it's all we know?
I—

I don't know, I don't know if I know who I am without you (You)
I don't know, I don't know if I know who I am without you (You)
Thought I wasn't co-dependent
Gracious mother. How the winds are changing
I don't know, I don't know if I know who I am without you
Without you

I just can't overcome all the things we need to work on and process
I can't deal with it. No
Maybe the answer is right in front of us if we let go to protest
Like I told you

We were so good together when we were younger, baby
What about now?
Wish I could separate my heart and mind
But I just can't, 'cause you're in my blood, right

I don't know, I don't know if I know who I am without you (You)
I don't know, I don't know if I know who I am without you (You)
Thought I wasn't co-dependent
Oh
Gracious mother. How the winds are changing
I don't know, I don't know if I know who I am without you
Without you

You never did me wrong
I never heard goodbye
Without you
But if a call you so
Darling, forever I'll be sad (You)

With, without you
With, without you
With, without you (Without you)

With, without you
With, without you
With, without you (You)

Yeah, yeah, yeah, yeah
Yeah, yeah

Yeah, yeah, yeah, yeah
Yeah, yeah
