

Don't Wait

Mobile

Down to the mystery of a broken-hearted town
In the twilight glow I walk the night alone
Down to the city where the sun don't shine no more
The sky is getting dark just like it was before

Don't wait
Don't wait
Don't wait for me, I won't be coming home
I want my life back and I want it now
Don't wait
Don't wait
Don't wait for me, I won't be coming home

I know that when the daylight hour close around
You'll take me back in darkness where I don't belong
I don't, I don't know where did it all go wrong
Why all our promises are failed to keep us strong?

Don't wait
Don't wait
Don't wait for me, I won't be coming home
I want my life back and I want it now
Don't wait (Don't wait)
Don't wait
Don't wait for me, I won't be coming home
I want my life back and I want it now
I want my life back
So long, I'm gone, I'm gone

You want my truth, but can't let me speak
Whenever my conscience needs to be revealed
So hear me now and listen good
This time around I know that I won't be misunderstood

Don't wait
Don't wait
Don't wait for me, I won't be coming home
I want my life back and I want it now
Don't wait (Don't wait)
Don't wait
Don't wait for me, I won't be coming home
I want my life back and I want it now
I want my life back
So long, I'm gone, I'm gone
Don't wait
Don't wait
Don't wait for me, I won't be coming home
I want my life back and I want it now
I want my life back
So long, I'm gone, I'm gone
