

Can't Be So Bad

Moby Grape

From across the room
I went to ask her why
She looked so sad
She began to cry
I said, "Wipe your eyes"
Wipe your eyes, just talk to me
Can't be so bad
I know, it's gonna get better
Can't you see me?
I wanna talk to you
Can't you see me here?
I wanna talk to you
I'm not trying to take advantage of you
I see you right now
Is there anything
Anything that I can do?
Wipe your eyes and talk to me
Can't be so bad
I know, it's gonna get better
Can't you see me?
I wanna talk to you
Can't you see me here?
I wanna talk to you
There's no reason for you to be alone
Come with me
I'd be glad to take you to my home
Wipe your eyes and talk, talk, talk, talk to me
Can't be so bad
I know, it's gonna get better
Can't you see me?
I wanna talk to you
Can't you see me here?
I wanna talk to you
