

Changes, Circles Spinning

Moby Grape

Changes, circles spinning
Can't tell the finish from the beginning
Crying, tears of fire
Can't tell the honest man from a liar

Building, private prisons
Keeps crazy heads from changing decisions
Walking, string of wire
To tell the living man from a dyer

Changes, circles spinning
Can't tell the finish from the beginning
Crying, tears of fire
Can't tell the honest man from a liar
