

# FUNKY-TUNK

Moby Grape

Oh my dove  
Where are you goin'?  
Where you goin' down the road?

Oh my dove  
Where are you goin'?  
Where you goin' down the road?

I am goin'  
To see the city  
Tryin' to learn it to see a show

I will come  
Without no clothes on  
I'll come on down the road

I am going  
To see them singers  
See them singers along the way

Well my Funky Tunk  
Keep on walkin'  
Keep on walkin'down that road

May the birds  
Build a nay-est  
Build a nay-est just for you

May the birds  
Build a nay-est  
Build a nay-est just for you
