

It's A Beautiful Day Today

Moby Grape

Dawn to dawn a lifetime
The birds sing and day's begun
The heaven will shine from dawn to dusk
With golden rays of sun

People on their way
Beginning a brand new day
I love (a-)hearing people say
It's a beautiful day today

People in the streets
Rushing everywhere
Moving fast and how I know
They got to get somewhere

People on their way
Beginning a brand new day
I love (a-)hearing people say
It's a beautiful day today

From dawn to dawn a lifetime
The birds sing and day's begun
The heavens shine from dawn to dusk
With golden rays of sun

People on their way
Beginning a brand new day

I love (a-)hearing people say
It's a beautiful day today
I love hearing people say
It's a beautiful day today
I love hearing people say
It's a beautiful day today
I love hearing people say
