

Looper

Moby Grape

I hear that someone's been a-tellin' you
I used to play around a lot
And now you're sayin' you can't groove behind
A time that I've almost forgot

Looper, leave everything that they say

I think I know who you've been talkin' to
And she's supposed to be my friend
Hey, babe, you ought to know by now that I'm
Not gonna Loop-a-late again

Looper, oh you're drivin' me out of my mind
Looper, oh you're drivin' me out of my mind

I think I know who you've been talkin' to
And she's supposed to be my friend
Hey, babe, you ought to know by now that I'm
Not gonna Loop-a-late again

Looper, oh you're drivin' me out of my mind
Looper, oh you're drivin' me out of my mind
