Don't Leave Me

Moby

You wanted more than me (oh you did now, love)
You wanted so much more than me
Your life could be so clean (oh you would now, love)
All the ways you want the light brought down
You wanted this from me (me)
You wanted nothing more (more)
You wanted nothing more (more)

Come on take my soul, don't leave like you know
Don't leave me, don't leave me, don't leave me alone
My life's not for me, it's all I can see
Don't leave me, don't leave me, don't leave me alone
Fight for me... [x2]

You wanted more from me (all the way so long)
I saw it like the sky went down (to the truth unknown)
Just tear me from your mind (send my life back)
It all comes down to one last choice
You wanted this from me (me)
You wanted nothing more (more)
You wanted nothing more (more)

Come on take my soul, don't leave like you know
Don't leave me, don't leave me, don't leave me alone
My life's not for me, it's all I can see
Don't leave me, don't leave me, don't leave me alone
Fight for me... [x2]

Fight for me... [x4]

Come on take my soul, don't leave like you know
Don't leave me, don't leave me, don't leave me alone
My life's not for me, it's all I can see
Don't leave me, don't leave me, don't leave me alone
Fight for me... [x2]

My life's not for me [x4]

Come on take my soul (I'm up and out of your way)
Don't leave like you know (I'm up and out of your way)
Don't leave me, don't leave me, don't leave me alone
My life's not for me (I'm up and out of your way)
It's all I can see (I'm up and out of your way)
Don't leave me, don't leave me, don't leave me alone

(I'm up and out of your way) [x8]
