

It's So Hard To Say Goodbye

Moby

Hey hey hey-ee-ye
Hey hey hey-ee-ye

Goodbye to our wisdom
Goodbye to the sweeping sky
Goodbye to the heartbreak
Watching us as we fail and try
The door shuts and we're left here
Left alone just too tired to cry

But it's so hard to say goodbye
It's so hard to say goodbye
It's always so hard to say goodbye
It's so hard to say goodbye

We see the mistakes here
And all of the hurts we made
Not just one time here but the cuts that killed the life we'd known
We never thought we'd see this
We never thought it would die

But it's so hard to say goodbye
It's so hard to say goodbye
It's always so hard to say goodbye
It's so hard to say goodbye

Now we know what it feels like
Here it ends where it all began
I can't speak and I cannot breathe 'cause I don't have words or even
air
I couldn't keep my promises
And now we sit and we let it die

But it's so hard to say goodbye
It's so hard to say goodbye
It's always so hard to say goodbye
It's so hard to say goodbye

But it's so hard to say goodbye
It's so hard to say goodbye
It's always so hard to say goodbye
It's so hard to say goodbye

Hey hey hey-ee-ye
Hey hey hey-ee-ye
Hey hey hey-ee-ye
Hey hey hey-ee-ye
