Come on, put your hands in the air y'all
Alright y'all
Come on, put your hands in the air y'all
Alright now
Come on, put your hands in the air y'all
Alright y'all
Come on, put your hands in the air y'all
Alright now

Fingers in the air like you really give a damn
Peace sign up, lemme hear you say yeah
Power to the people, put your hands in the air
Peace sign high like you really do care

Fingers in the air like you really give a damn
Peace sign up, lemme hear you say yeah
Power to the people, put your hands in the air
Peace sign high like you really do care

Come on, put your hands in the air y'all
Alright y'all
Come on, put your hands in the air y'all
Alright now

Rather be sittin' just forgettin' it
Power to the people not the government
Capitalists, communists, terrorists
Swear to God I don't know the difference

Makin' new slaves outta immigrants
Wanna know where all the money went
Another trillion spent by the government
Here the bomb go, sent by the president

Power to the people, 'cause the people want peace
Power to the people, 'cause the people want peace
Power to the people, 'cause the people want peace

Come on, put your hands in the air y'all
Alright y'all
Come on, put your hands in the air y'all
Alright now

Tell the leaders, they gotta feed us
Grand theft oil gonna bleed us
New world order doesn't need us
Call for peace better heed us

Dictators, human haters
Hand on the bomb, mass debaters
Finger on the button infiltrators
Make love, fuck war, peace will save us

Come on, put your hands in the air, y'all
Alright, y'all
Come on, put your hands in the air, y'all
Alright now
Come on, put your hands in the air, y'all
Alright, y'all
Come on, put your hands in the air, y'all
Alright now

Ayyo, check, one, two
I want everybody to put this sign up in the air
At the count of three, everybody around the world
Everybody to put this sign up in the air
Everybody tell me what this sign means
One, two, peace

Come on, put your hands in the air, y'all
Alright, y'all
Come on, put your hands in the air, y'all
Alright, now
Come on, put your hands in the air, y'all
Alright, y'all
Come on, put your hands in the air, y'all
Alright now

Come on, put your hands in the air, y'all
Alright, y'all
Come on, put your hands in the air, y'all
Alright, now
Come on, put your hands in the air, y'all
Alright, y'all
Come on, put your hands in the air, y'all
Alright, now

Power to the people, 'cause the people want peace
Power to the people, 'cause the people want peace
Power to the people, 'cause the people want peace
Power to the people, 'cause the people want peace
