

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come

Think about don't think around it
Now yo we synchronising
Analysing there lies and there logic
Knowledge is a column of coliseums
We build inside minds
Pyramids hieroglyphics
Are richer than any coins
The precision of time sign
Third-eye sight
Past, present, and future
Illusions are recognised
Real eyes, realise, real lies
Ya realise!
It's not but a puppet show
Like I ain't a real boy
And it's smelling like
It's rotten or really ripe
But talk it ain't something to buy
It's cheaper to open your eyes
Fine line between lies and disguise
The lights are blinding
Behind us
Medusa is dancing
Event horizon
Surprised that the climate is climbing?!
Colliding like we're siamese
As we run out of options
It's a
Preposterous apocalypse
If we all unconscious
Hear alarm bells 'n' cuckoo clocks
Wake up the foxes

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come
I can't go on keep on making

All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come

Another night in the middle of
A deep darkness surrounding me
I need a light and a hand to hold
This is more than lost to me
Another night in the middle of
A deep darkness surrounding me
I need a light and a hand to hold
This is more than lost to me

How many times can I get it wrong?
Cuz this is more than what it seems
Oh yeah
This is more than what it seems
Oh yeah
How many times can I get it wrong?
How many times can I get it wrong?

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come

I can't go on keep on making
All the same mistakes I've made
To keep on going
Need to change my ways fast
Or tomorrow the sun won't come
