

## Mistake

Moby

Don't speak to me this way  
Don't ever let me say  
Don't leave me again [2x]  
I never felt this loss before  
And the world is closing doors  
I never wanted anything more  
[2x]  
Don't hug me this way  
Don't touch me this way  
Don't hug me again [2x]  
Don't hug me this way  
Don't touch me this way  
Don't hug me this again [2x]  
I never felt this loss before  
And the world is closing doors  
I never wanted anything more  
Don't let me make the same mistake again  
Please, don't let me make the same mistake again  
Don't let me make the same mistake again  
I never felt this loss before  
And the world is closing doors  
I never wanted anything more  
Please, Don't let me make the same mistake again [2x]
