

New Dawn Fades

Moby

A change of scene, a change of style
A change of hopes with no regrets
A chance to watch, admire the distance
Still occupied, though you forget

Different colors, different shades
Over each mistakes were made
I took the blame

Directionless so plain to see
A loaded gun won't set you free
So you say

We'll share a drink and step outside
An angry voice and one who cried
I'll give you everything and more
The strain's too much, can't take much more

I've walked on water, run through fire
Can't seem to feel it anymore
Because we hoping for something more
Hoping for something else

We, yeah, you seeing me this way
You hoping for something more
When our love goes wrong
