

The Only Thing

Moby

You are the best thing
You are the only thing
In my life
In my life

You were the the best thing
You were the only thing
In my life
In my life

You were the last thing
You were my best day thing
And I tried
And I tried

You are the best thing
You were the only thing
In my life
In my life

Flanks of black night
Cities are past us here
This time
This time

I saw them mourning
I cannot contain this now
In my life
In my life

You were the best thing
You were the only thing
In my life
In my life

You were the best thing
You were the only thing
In my life
In my life

In my life

In my life

In my life

In my life

In my life

In my life

In my life

In my life

In my life

In my life - in my life

You were the best thing
You were the only thing
In my life
In my life

You were the best thing
You were the only thing
In my life
In my life

I try to be better
But I've been waste so long
In my life
In my life

In my life

In my life
