

we're going wrong

Moby

Please, open your eyes
Try to realize

I found out today
We're going home

Please, open your mind
See
What you can find

I found out today
We're going wrong
We're going wrong
We're going wrong
We're going wrong

I found out today
We're going wrong
We're going wrong
We're going wrong
We're going wrong
