

Be My Bee

Mocca

If I'm the petals of a flower
You could settle here for hours
Banded stripes of black and yellow
Stay with me then I'll be mellow

You always seem to be busy
But loving you is very easy
Obviously I have a soft spot
For you cause you're as sweet as lollipop

Be my bee
(I will always be your pookie)
Be my bee
(My sweet little honey bunny)
Be my bee
(My one and only lovey)
Be my bee
(I'll be your forever bezzie)

Be my bee
(I will always be your sweet pea)
Be my bee
(My sweet little lovely baby)
Be my bee
(You're the only one milady)
Be my bee
(I'll be your forever bestie)

Everywhere you go
I want you to know that I'll be here just waiting for you

So feel free
Spread your wings and fly
To where your heart desires

Whether on cloudy days
Or even rainy days
Believe me I want you to

Be my bee
(I will always be your pookie)
Be my bee
(My sweet little honey bunny)
Be my bee
(My one and only lovey)
Be my bee
(I'll be your forever bezzie)

Be my bee
(I will always be your sweetpea)
Be my bee
(My sweet little lovely baby)
Be my bee
(You're the only one milady)
Be my bee
(I'll be your forever...)

If I'm the petals of a flower
You could settle here for hours
Banded stripes of black and yellow
Stay with me then I'll be mellow

You always seem to be busy
But loving you is very easy
Obviously I have a soft spot
For you 'cause you're as sweet as lollipop
