

Building Memories

Mocca

I'm building a memory with you
I will be a guiding light for you
Mark my words
I'll keep my promises to you

I'm building these memories with you
I will be a safety net for you

Mark my words
I'll keep my promises to you
Mark my words
I'll keep my promises to you

On and on life goes on
Day by time goes by
On and on moving on
Day by day time goes by

Mark my words
I'll keep my promises to you

Day by time goes by (Day by day the time goes by)
On and on moving on (On and on and moving on)
