

# Everything Is Gonna Be Fine

Mocca

When life gives you a lemon  
Let's make a good lemonade  
Just try to enjoy it every second  
Who knows it could be great

Alone we can do so little  
Together we can do so much  
Be happy (be happy), remember to smile  
And good things will happen

Everything's gonna be alright  
(Everything's gonna be alright)  
Everything's gonna be fine  
(It's gonna be fine)  
Everything's gonna be OK  
(Everything's gonna be OK)  
Everything's gonna be fine

Every cloud has a silver lining  
Always keep that in your mind  
No matter what you do, keep trying for the best  
The sun will shine tomorrow

Everything's gonna be alright  
Everything's gonna be fine  
Everything's gonna be OK  
Everything's gonna be fine

Everything's gonna be alright  
(Everything's gonna be alright)  
Everything's gonna be fine  
(It's gonna be fine)  
Everything's gonna be OK  
(Everything's gonna be OK)  
Everything's gonna be fine  
(It's gonna be fine)  
Everything's gonna be fine  
(It's gonna be fine)  
Everything's gonna be fine
