Friend

Mocca

If anyone can fill my world with joy and happiness
And cast away all of my loneliness
Always there beside me when I am down
And never left my face with a frown

It’s you! Yes, it is you my friend who can make it all come tru
e
It’s you! Yes, it is true a friend in need is a friend indeed

If anyone can fill my world with joy and happiness
And cast away all of my loneliness
Always there beside me when I am down
And never left my face with a frown

It’s you! Yes, it is you my friend who can make it all come tru
e
It’s you! Yes, it is true a friend in need is a friend indeed

When you’re around I wrap my self in a pearly smile
When you’re around you light the bulb inside my head
When you’re around I wrap my self in a pearly smile
When you’re around I dance and sway and kiss the ground

If anyone can fill my world with joy and happiness
And cast away all of my loneliness
Always there beside me when I am down
And never left my face with a frown

It’s you! Yes, it is you my friend who can make it all come tru
e
It’s you! Yes, it is true a friend in need is a friend indeed

When you’re around I wrap my self in a pearly smile
When you’re around you light the bulb inside my head
When you’re around I wrap my self in a pearly smile
When you’re around I laugh and sing out strong and loud
