**Mocca**

After a long long walk  
I finally found my way  
After a long long time  
I finally found my place

Warm hug is a home  
I've found that I belong here  
Warm hug is a home  
I knew that I belong here

Warm hug is a home  
I've found that I belong here  
Warm hug is a home  
I knew that I belong here
