Arina Ephipania Simangunsong:  
Hey boy did you know?  
I lie awake in my dreamy bed  
Thinking of you and those crazy times we've had

Sometimes I wonder  
Whether you're a Jekyll or you're a Hyde  
Sometimes you are wise and tell no lies

Oh I can't tell  
'Cause you make me feel so loved and confused  
This conversation may never happen

Bob Tutupoly:  
Hey girl did you know  
I miss you so though it may not show  
Thinking of you and those crazy times we've had

My dear I have news to tell you  
Your silly jokes did brighten me  
You cheered me up when I was down

Oh I can't tell  
'Cause you make me feel so loved and confused  
This conversation may never happen
