

# Doesn't Mean Anything

Mod Sun

Now this song kinda makes myself  
But if you do here it, I hope you feel it

I, use to dream of being a millionaire  
But now I don't care  
I found what the true meaning is just being here  
Cause when its over  
Well, I'll want another crack at it

So live life like you cant grant that  
With another chance, never mind the past  
Move on, never done, only make it to give it  
Back because its never over  
At least not until I say so

A broke man on a bench told me a beautiful story today and I went on my way  
I ran into a dollar sign that had nothing to say  
Nothing of story, and that really shows something to me  
Maybe the top of the world is only seen at the bottom of the sea

From above  
Seems I had it all  
But it doesn't mean anything  
A lot had happen since I started chasing this whole music dream  
One things for sure man I wont stop

Made a lot of songs,  
Lost a lot of friends

Don't plan to make ends  
Been nothing but struggle for years  
Trying to write songs that bring people to tears  
But I know that I will  
Mark my words  
I know I will  
Mark my words  
This is a big deal  
Mark my words  
I will persevere  
Mark my words  
Cause I really do believe in him  
I see change in the way that we've been living  
I see things because you know he thinks big  
And I mean that I see that I feel that  
Believe that cause the dream at 16 was to be a part of the scene as seen on  
tv  
Was looked over now we getting older now we getting closer

From above  
Seems I had it all  
But it doesn't mean anything  
Now I have changed my mindset on everything  
I don't care if I have everything I just want to do everything

I stopped thinking about the cars and the keys  
Stopped worrying about dressing to please  
Almost cant even believe

I use to dream of being a millionaire  
See I would be happy with no money  
The finest things in this life are free  
Almost cant even believe  
I use to dream of being a millionaire  
See I moved pass all that man  
Use to dream of being a millionaire  
Its not just about getting what you want  
Its about wanting what you got  
Cheryl Crow said that

From above  
Seems I had it all  
But it doesn't mean anything  
Moving our dreams  
Stand under none

From above  
Seems I had it all  
But it doesn't mean anything
