Mod Sun

No shirt on, head hanging out the window  
Feeling myself, baby, you know how the shit go  
Now I'm getting so high, riding like she so low  
No shirt on, head hanging out the window

I got tats on my chest, gotta let that shit show  
Yes I am happy to be here, that's just how I feel  
I got enough energy for This whole damn, world  
I couldn't change the color of your mourning just like  
I got, I got, I got a lot of plans to change a lot  
I got some thoughts about the way they making us, and so  
Goddamn dangerous, become an activist  
I might save us all, in Mod we trust  
I'ma buy a hippy bus, fill that thing up with some kush  
That love not lust, so  
I'm gonna, what's not to bust  
There's only one way to roll it up

No shirt on, head hanging out the window  
Feel like myself, baby, you know how the shit go  
Now I'm getting so high, riding like she so low  
No shirt on, head hanging out the window  
No shirt on, head hanging out the window  
Feeling myself, baby, you know how the shit go  
Now I'm getting so high, riding like she so low  
No shirt on, head hanging out the window

No shirt on, head hanging out the window  
Hair blowing in the wind, blowing as a bimbo  
Eyes got a smile, that's a permanent dimple  
Why you make so hot look so simple?

When you gonna get the hint though?  
You could be the one to solve all your issues  
Who give a fuck if they diss you?  
But y'all you wish you special, you see  
I only cry tears of joy  
I got some mouths to feed, some friends to employ  
It's starting to annoy me  
Every time I hear somebody in my ear bringing bad vibes near  
I'ma buy a hippy bus, fill that thing up with some kush  
That love not lust, so  
I'm gonna, what's not to bust  
There's only one way to roll it up

No shirt on, head hanging out the window  
Feeling myself, baby, you know how the shit go  
Now I'm getting so high, riding like she so low  
No shirt on, head hanging out the window  
No shirt on, head hanging out the window  
Feeling myself, baby, you know how the shit go  
Now I'm getting so high, riding like she so low  
No shirt on, head hanging out the window
