I think it's time you act like you know  
Everybody talkin' 'bout us; we about to blow  
I can get you pounds for the low  
Or I can hit you can pickin' pounds for the show  
Everybody callin' on my phone  
I ain't trying roll that's my whole team goal  
I think it's time you act like you know  
I think it's time you act like you know

Bet I got a fist full  
Whips on my wrist go  
I deserve a kiss tho  
Woke up like "god damn  
No one touchin' this flow"  
I declare right now  
Go ahead, get it bro  
Is anybody on my level?  
That would be a big "no"  
Twist another cigarella

Are they fuckin with me?
