

# Psycho Smile

Mod Sun

Yeah

I said oh  
I love the way you smile  
There's just something 'bout it baby  
Why you think I try so hard to make you laugh sometimes  
I think I'm goin' crazy

I'll admit it: I'm addicted to your face  
And your legs and your waist and the way that you taste  
But we all know what gets me goin'  
(What? What? What?)  
Give me a minute, I bet I can change the vibe up  
There ain't a limit to what I'll do to make you smile  
We all know I'll go psycho

I said oh  
I love the way you smile  
There's just something 'bout it baby  
Why you think I try so hard to make you laugh sometimes  
I think I'm goin' crazy  
I wanna make you smile  
Really that's all I want baby  
And if anybody tryna turn it upside down I think I might go crazy  
I think I might go, think I might go  
Crazy  
Hey, hey, yeah  
I think I might go, think I might go crazy

Ayy, ooh  
How do you do it?  
You change the whole mood with one movement  
Thought slips, but oh shit, she pissed  
Gotta find a way to get over this, over this  
And we all know I'll go psycho

I said oh  
I love the way you smile  
There's just something 'bout it baby  
Why you think I try so hard to make you laugh sometimes  
I think I'm goin' crazy  
I wanna make you smile  
Really that's all I want baby  
And if anybody tryna turn it upside down I think I might go crazy  
I think I might go, think I might go  
Crazy  
Hey, hey, yeah  
I think I might go, think I might go

Psycho, psycho, psycho psycho  
Ah, yeah  
Woah  
I said "I know, I know, I know"  
I might go psycho  
I know, I know, I know  
But

I said oh  
I love the way you smile  
There's just something 'bout it baby  
Why you think I try so hard to make you laugh sometimes  
I think I'm goin' crazy  
I wanna make you smile  
Really that's all I want baby  
And if anybody tryna turn it upside down I think I might go crazy  
I think I might go, think I might go  
Crazy  
Hey, hey, yeah  
I think I might go, think I might go crazy  
  
Baby, yeah  
I think I might go, think I might go crazy
