

SOS

Mod Sun

Barely breathing on the evening I can feel the storm coming on
Lucid dreaming still believing it gets darkest before dawn

Yeah. Didn't I warn you? Didn't I adore you? Yeah. Didn't I, didn't I?
I did it all for you, said I won't destroy you...didn't I? Didn't I?

I'm screaming "SOS"
I've been sinking in the ocean that's you
I need an SOS
Just convince me that you feel it too
I need to know
Caught in your undertow
I'm screaming "SOS"
I'm screaming "SOS"

I must admit
I'll never quit
I need to save our story
I reminisce
Your face, your lips
No one exists before me

Didn't I warn you? Didn't I adore you? Yeah. Didn't I, didn't I?
I did it all for you, said I won't destroy you. Yeah. Didn't I? Didn't I?

I'm screaming "SOS"
I've been sinking in the ocean that's you
I need an SOS
Just convince me that you feel it too
I need to know
Caught in your undertow
I'm screaming "SOS". Yeah
I'm screaming "SOS"

Don't let me go down
Don't let me
Don't let me
Don't let me go down

Don't let me go down
Don't let me
Don't let me
Don't let me go down

Don't let me go down
Don't let me
Don't let me
Don't let me go down

Don't let me go down
Don't let me
Don't let me
Don't let me go down

I'm screaming "SOS"
I've been sinking in the ocean that's you
I need an SOS

Just convince me that you feel it too
I need to know
Caught in your undertow
I'm screaming "SOS"
I'm screaming "SOS"

I'm screaming "SOS"
I've been sinking in the ocean that's you
