

Sunshine

Mod Sun

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know dear
How much I love you...
So please don't take my sunshine away

And it was all good just a week ago
Now I'm just somebody that you used to know
And what I know is I can't sleep
Cause I keep sending texts that you don't read...
Tell me, what am I supposed to do?
When I see someone else is gettin close to you
When I get jealous cause he starts posting you
And I'm stuck here, still not over you...
Is it really true that you're movin on?
Everything's grey since you've been gone
Got a permanent rain cloud above my head
Sometimes I wonder if I'm ever gonna smile again...

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know dear
How much I love you...
So please don't take my sunshine away

It's been 3 weeks and a couple days
You showed me it was over in a couple ways
I can smell you on a couple of my old clothes
We used to be a couple now I'm so alone...
I guess that's why you stopped sharing locations
I guess you're back out now gettin wasted
With somebody new in all our old places
Your side of my bed stays so vacant...
And maybe one day I can let you go
You know the real me that nobody knows
Got a permanent rain cloud above my head
Sometimes I wonder if I'm ever gonna smile again...

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know dear
How much I love you...
So please don't take my sunshine away
