He sins alone  
A broken throne  
Once a powerful man  
Opulence devoted

The occupant  
Of the last seat  
A throne of nails  
Antidote and poison

Is it going to be life  
Or just my reign?  
Screaming or about to scream  
Isn't it the same?

A copy of a copy  
(The) servant of a servant  
Time after time  
He'll never exist

The copy of a copy  
(The) servant of a servant  
Time after time  
You'll never resist

Is it going to be life  
Or just my reign?  
Screaming or about to scream  
Isn't it the same?
