Lips Like A Crash

Modern Day Escape

We Met Half Way
Between The Ballroom Masquerade
Dance On The Black And Blue
With Tragic Endings

You Screamed To Break The Silence
It Felt Bad To Win The Time Wash
Shattering The Trust
Like Broken Glass
(GLASS)

Until The Embers Burning Out
And Now It's Your-Or Turn
(TURN)
Until The Embers Burning Out
And Now It's Your-Or Turn

Our Lips Rushed In Like A Crush
She Fell Down
Went Straight For The Floor
LET GO, LET GO, LET GO

Now I Know When
I'm Dealing With This Fire
Don't Get Burned
With This Desire

Light The Fuse And Watch It Burn
Until The Embers Burning Out
And Now It's Your-Or
Light The Fuse And Watch It Burn
Until The Embers Burning Out
And Now It's Your-Or Turn

(LIGHT UP THE FUSE)
Until The Embers Burning Out
And Now It's Your-Or Turn
(Turn)
LIGHT IT UP
Until The Embers Burning Out
And I Will Break Your Heart

These Lips They Taste Like Ashes
(ASHES)
These Lips They Taste Like Ashes
(ASHES)
Her Kisses Never Taste The Same
She Never Loved Me Anyway
WOW

Her Lips Got Burnt And Poisoned
Legs Long Enough To Make
A MAN Go MAD, MAD, MAD, MAD
