

## Dance Of Devotion

Modern English

You didn't know how much I wanted you  
You didn't know how much I needed you  
Shadows on the wall, staring from the bags  
Pent-up frustration, failed to explode  
Got a tear in the eye --  
You didn't want me

You didn't know how much I wanted you  
You didn't know how much I needed you  
How much I longed for you  
And from my head to my heart to the space above the door  
You didn't know how much I wanted you  
You didn't know how much I needed you

You didn't know?  
You didn't know?  
You didn't know?  
You didn't know?  
You didn't know?  
You didn't know?  
You didn't know?  
You didn't know?
