

## Deep Sea Diver

Modern English

You're a deep sea diver  
Wreckage is your game  
A fast car crash survivor  
On the tightest bend

You're a deep sea diver  
In a shallow bay  
You're a star prize fighter  
Better not get in the way  
A death row inmate lifer  
You sold your soul and you are here to stay

You're a deep sea diver  
In a shallow bay  
Do, do, do, do, deep sea diver  
[x2]

Deep sea diver  
Where's your home?  
Oh  
Deep sea diver  
All alone  
Oh

You're a deep sea diver  
In a shallow bay  
Circling like a plane  
You're a moth to the flame  
Coming back down to earth  
Never seems to work

Do, do, do, do, deep sea diver [x3]  
Do, do, do, do, [x3]
