

Deep Sea Diver

Modern English

You're a deep sea diver
Wreckage is your game
A fast car crash survivor
On the tightest bend

You're a deep sea diver
In a shallow bay
You're a star prize fighter
Better not get in the way
A death row inmate lifer
You sold your soul and you are here to stay

You're a deep sea diver
In a shallow bay
Do, do, do, do, deep sea diver
[x2]

Deep sea diver
Where's your home?
Oh
Deep sea diver
All alone
Oh

You're a deep sea diver
In a shallow bay
Circling like a plane
You're a moth to the flame
Coming back down to earth
Never seems to work

Do, do, do, do, deep sea diver [x3]
Do, do, do, do, [x3]
