## **Gathering Dust**

## **Modern English**

The pressure's on no time to lose The pressure's on no time to lose The pressure's on no time to lose The pressure's on no time to lose

Inspiring dreams all shattered and blown away Gathering dust the band played on again Personal reasons are problems in the way Waking up with just enough time to spare

La la

Searching out thoughts we set ourselves a sight Power and death are always on our minds The cause is laid out, no looking back for me The future holds the key for us to see
