

Love Forever

Modern English

The king just sold his crown
The jobs have all gone missing
The winter brings a bitter cold
Which seems to bite right through
When the money's running short
There's not much you can do
Just remember
That money can't buy you love

Love forever
Love forever
Love

The streets are paved with gold
And silver linings too
When the sun at last comes out
It's sure to shine on you
If you believe in all these things
There's nothing you can't do
Just remember
Money can't buy you love

Love forever
Love forever
Love forever
Love forever
Love

Love forever
Love forever
Love forever
Love forever
Love

Love forever
Love forever
Love forever
Love forever
Love
