

Swans On Glass

Modern English

Running blindly
Jumping careless
Passing buildings
Concrete and glass
Over a bridge
Water flowing
Darkness my stare
White shapes on glass [x8]

I'm turning around [x6]

Mirrored windows
Reflected skyline
Distant structures
Captures my view
Isolation
Close behind me
Darkness my stare
White shapes on glass [x8]

I'm turning around [x6]

Turning from the blackened shapes I turn into white [x2]

White on new
White shapes on glass
