The waiting's done

The water's gone

The prize for some  
For me the prize is clear

The prize is in your eyes Lies and more lies, lies and more lie

It's the race you run  
Open up those eyes  
Reveal lies

To see what's real  
Relax with me and feel (repeat)

The prize is in those eyes Lies and more lies, lies and more li
