

Tranquility

Modern English

Birds fly, maybe backwards
Where's the rules? Where's the wonders?
Treasured souls, a twisted tale
Sigh loudly, blow then inhale

Landscape moving this way and that
Bracken foliage joining in the act
Dull feelings, they beckon, relax
Sigh loudly, blow then inhale

Sense of enjoyment could be the fact
Numbing body just couldn't react
Think of the normal, which why and how
Sigh loudly, blow then inhale

Muffled the buzz in the noises
Troubled ventures like voices
Suddenly forget remember
Sigh loudly, blow then inhale

Sigh loudly, blow then inhale
Sigh loudly, blow then inhale
Sigh loudly, blow then inhale
Sigh loudly, blow then inhale
