

## Needlepoint

## Modest Mouse

Stay gone for a while (2x)  
Stay gone eyes twitch and thin smile  
Stay gone for a while  
it Takes a needle point and smile  
Stay gone for a while  
Stay gone twice twitch and thin smile  
Stay gone for a while  
it Takes a needle point and smile  
I'm Gone for everyone, and for anyone that  
deserves (2x).
