

Blood

Modestep

I am blood, sweat, and tears
I'm a beating heart that lives
When I feel it coming in
I lose sight of fear
I am blood
I am blood
I am blood
I am blood

I am blood
I am blood
I am blood, blood, blood

Where's the moshpit goin' to be?
I am blood
Where's the moshpit goin' to be?

I am blood
I am blood
I am blood

Where's the moshpit goin' to be?
Fuck
I am blood
Fuck
Damn
Where's the moshpit goin' to be?

I am blood
I am blood
I am blood
I am blood
