

## Bodybag

Modestep

One kiss from your lips, I ain't coming back  
Wrap me up, come put me in a body bag  
Eyes closed, no air, got me in a trap  
Wrap me up, come put me in a body bag  
One kiss from your lips, I ain't coming back  
Wrap me up, come put me in a body bag  
Eyes closed, no air, got me in a trap  
Wrap me up, come put me in a body bag

Wrap me up, come put me in a body bag  
Wrap me up, come put me in a body bag  
Wrap me up, come put me in a body bag  
Eyes closed, no air, got me in a trap  
Wrap me up, come put me in a body bag

Wrap me up, come put me in a body bag  
Wrap me up, come put me in a body bag

One kiss from your lips, I ain't coming back  
Wrap me up, come put me in a body bag  
Eyes closed, no air, got me in a trap
