

I'm like hard porn  
Fuck with heavy metal like a mad gun  
Engine screamin' like I'm mad fun  
Ain't nobody gonna catch up to my pace  
Hittin' redline  
Pedal to the metal while we flatline  
Fuel mix hotter than an outline  
Ain't nobody gonna catch up to my pace

I can make your heart race

With your body on my body, we be comin' like Bugatti
