

# Flying High

Modestep

I was fighting for this feeling  
I'm flying high  
Never got just what I needed  
I feel alive

I was fighting for this feeling  
I'm flying high  
Never find all the minute  
I've been alive

I'm flying high  
Never got just what I needed  
I feel alive  
I feel alive  
Feel alive

I feel alive
