

# Give Up The Ghost

Modestep

'Cause if I give up the ghost of you  
Is the only thing I know, but it's true  
'Cause I'm holding onto something old  
Oh, if I give up the ghost of you

'Cause if I give up the ghost of you  
Is the only thing I know, but it's true  
'Cause I'm holding onto something old  
Oh, if I give up the ghost of you

If I give up the ghost of you

'Cause if I give up the ghost of you  
Is the only thing I know, but it's true  
'Cause I'm holding onto something old  
Oh, if I give up the ghost of you

If I give up the ghost of you

'Cause if I give up the ghost of you  
Is the only thing I know, but it's true  
'Cause I'm holding onto something old  
Oh, if I give up the ghost of you
