

Paradise

Modestep

When she was just a girl
She expected the world
But it flew away from her reach so
She ran away in her sleep
And dreamed of
Para-para-paradise,
Para-para-paradise,
Para-para-paradise
Every time she closed her eyes.

In the night the stormy night away she'd fly
In the night the stormy night she'll close her eyes

When she was just a girl
She expected the world
But it flew away from her reach
And the bullets catch in her teeth
Life goes on, it gets so heavy
The wheel breaks the butterfly.
Life goes on, it gets so heavy
The wheel breaks the butterfly

In the night the stormy night she'll close her eyes
In the night the stormy night away she'd fly

Paradise

In the night the stormy night away she'd fly

In the night the stormy night away she'd fly

When she was just a girl
She expected the world
But it flew away from her reach so
She ran away in her sleep
And dreamed of
Para-para-paradise,
Para-para-paradise,
Para-para-paradise
Every time she closed her eyes
