

Smoke Up

Modestep

We gonna smoke up
Be free
One love
One dream
We gonna smoke up
We gonna smoke up
We gonna smoke up
Be free (be free)
One love (one love)
One dream (one dream)
We gonna smoke up
We gonna smoke up

We gonna smoke
We gonna smoke
(Raise the fuck up)

We gonna smoke
We gonna smoke

We gonna smoke up
Be free (be free)
One love (one love)
One dream (one dream)
We gonna smoke up
We gonna smoke up
We gonna smoke up
Be free (be free)
One love (one love)
One dream (one dream)
We gonna smoke up
We gonna smoke up

We gonna smoke
(Raise the fuck up)
(Oh shit)

We gonna smoke
Up...
Up...
Up...
